Signing up for Clubs

Parents should use the school website or app to sign up for clubs. You will need to log in using the details emailed to you back in July and again today and complete the sign-up form there. If you have lost or forgotten your login details, please email website@ashchurch.gloucs.sch.uk or ask at the office. It is important that all children are properly signed up so that we have an accurate register of those attending each club. You only need to sign up once for the club, not every week. If your child is unable to attend any particular session, please let the teacher or the office know to avoid staff having to make phone calls to find out where the child is.

Gymnastics

There is a charge of £2 per week for this club to cover the cost of the visiting gymnastics coach. The total for the 10 sessions is therefore £20. Payment can be made by cash or cheque (made payable to Ashchurch Primary School) and must be paid to the office before the club starts on 21st September.

Cross Country

Cross country races take place on Thursdays at The Vineyards and are open to children in Y4, Y5 and Y6. Races start at 4pm and finish by 5pm. Children need transport to and from The Vineyards. No spiked footwear is allowed. We provide a school shirt to wear over their PE kit. Race dates are as follows:

28th September, 5th October, 12th October, 8th February, 22nd February, 1st March.

District Sports Cheltenham

You will notice that some of the clubs will be run by Miss Jackson. Miss Jackson is a sports coach from District Sports Cheltenham and will be working with children in Y1-Y6 this term in PE lessons. They will all have had a PE lesson with Miss Jackson before clubs start so she will be familiar to them.
