

## HEAD LICE ADVICE

Although head lice is an annoying problem, it is not a danger to your child's health, so there is no need to panic. When a case has been confirmed, it becomes very important for you to check your family for lice immediately, treat as appropriate and continue to check regularly. Your child can continue to attend school.

*As a school we strongly recommend that long hair is tied back at all times.*

There is lots of sensible advice about frequency of checks, detecting and treating lice, products available etc. on the following two websites;
