

Dear parents,

Once again Year Six have the opportunity to visit Waterstones Book shop in Cheltenham on the afternoon of Tuesday 12th June. This forms part of our developing English curriculum to encourage children to get excited about reading a variety of books and it is a trip that the children really look forward to.

Waterstones have put together an hour long programme between 1.00-2.00 p.m that will include an English activity, story-telling and a chance to look round the store and hear how books get published. There will be an opportunity for them to purchase a book if you give them permission (and money!). They will return to school by 2.30 p.m

If you are happy for your child to go please complete the online permission form ASAP.

Thank you

Mrs Willis
