

### Summer Term Clubs

All clubs start next week, week beginning 29<sup>th</sup> April.

Signup is open now on the school website & School Spider app. Signup for all clubs will close at the end of Sunday this week so that registers can be prepared in time for Monday.

Please remember that once signed up for a club, children are expected to attend each week unless there is an unavoidable reason for them not to come. ***The school office must be notified either in person, by phone or by email if a child is not coming to a club for any reason. This will avoid staff having to make phone calls to find out where missing children are. It is not enough to send a message with children; a parent must inform the office.***
