

FORTUNE COOKIE WRITER

I think fortune cookie writing is interesting because I like fortune cookies.

A **fortune cookie** is a crisp and sugary cookie usually made from flour, sugar, vanilla, and sesame seed oil with a piece of paper inside, a "fortune".

The message inside may also include a Chinese phrase with translation or a list of lucky numbers used by some as lottery numbers.

Fortune cookies are often served as a dessert in Chinese restaurants in the United States and other Western countries, but are not a tradition in China.

For 30 years, Donald Lau has served as "Chief **Fortune Writer**" at Wonton Foods, which is the largest manufacturer of **fortune cookies**, noodles, and other Chinese staples.
